

# Project Completion and Responsibility Agreement

This letter outlines the terms and conditions for the Project Completion and Responsibility Agreement between WolfAssistants and Finalty Fintech and Mr.Samraj. The effective date of this agreement is 03/01/2024.

The Company is committed to completing the project by January 3, 2023. Upon project completion, the Company will provide the necessary login credentials. It is important to note that after the project is completed, the Company will no longer retain access to project-related accounts. Any changes or modifications required post-completion will be the sole responsibility of the Client.

Upon project handover, the Client assumes full responsibility for the project, including any subsequent changes. The Company acknowledges that it will have no further access to projectrelated accounts after completion.

## Review

Thank you for your proposal. While we're impressed with the work, we've identified a couple of bugs that need addressing for full compliance. Once these are resolved, we'll happily approve the release of funds. Looking forward to your prompt resolution to move forward.
